**Disclaimer**

*This calculator is provided by Bluecom to provide an illustration of the savings and associated return on investment that customers can expect when using the Bluecom vehicle tracking system. The specific benefits that can be gained (whether financial or otherwise) by a customer that implements a Bluecom Solution, in part or as a whole, will be unique to that customer. Bluecom cannot be held responsible if actual saving differs from the predicted values. The associated purchase and running costs do not constitute an agreement or quotation and are for illustrative purposes only.*
